## SCP Announces New Leadership and Expands Operations in Tennessee

Schumacher Clinical Partners (SCP) has announced the appointment of Garen Throneberry as Division III President.

### LAFAYETTE, LOUISIANA

Schumacher Clinical Partners (SCP) has announced the appointment of [Garen Throneberry](#) as Division III President. In this role he will be responsible for SCP's Hospital Medicine services and oversee the company's relationship with a portfolio of clients and providers. In addition, Throneberry will lead the opening of a new SCP office in Tennessee.

Under the leadership of CEO Rich D'Amaro, Throneberry will work alongside Division I President Jim Guidry and Division II President Dr. Derik King. Throneberry joined SCP in May 2017 as Senior Vice President of Operations. He brings more than 20 years of experience in healthcare leadership and administration to his role at SCP.

"As the healthcare industry continues to evolve, and SCP's geographical footprint expands, we will continue to adapt our operational structure to these new realities," said CEO Rich D'Amaro. "The addition of another division president to lead a new base of operations near Nashville, a key healthcare hub, will improve efficiencies and further enhance our relationships with clients and providers."

The new office opened January 9, 2018, and is located in the Cool Springs Corporate Centre, 810 Crescent Centre Drive, Suite 560, Franklin, TN 37067.

###

SCP Health (SCP) is a clinical company. At our core we work to bring hospitals and healers together in the pursuit of clinical effectiveness. With a portfolio of over 8 million patients, 7500 providers, 30 states, and 400 healthcare facilities, SCP Health is a leader in clinical practice management spanning the entire continuum of care, including emergency medicine, hospital medicine, wellness, telemedicine, intensive care, and ambulatory care.
