SCP WellnessWorks Program Partners with Eight New Facilities

Schumacher Clinical Partners (SCP) has announced eight new WellnessWorks clients.

ATLANTA, GA

Schumacher Clinical Partners (SCP) has announced eight new WellnessWorks clients to include: Acadian Medical Center/Mercy Acadian, Eunice, LA; Lake Charles Memorial Hospital, Lake Charles, LA; Rutherford Regional Health System, Rutherfordton, NC; Davis Regional Medical Center, Statesville, NC; Los Alamos Medical Center, Los Alamos, NM; Conemaugh Health-DLP Conemaugh Medical Center, Johnston, PA; Beaufort Memorial Hospital, Beaufort, SC; and Sage West Healthcare, Lander, WY.

WellnessWorks, an SCP service line since 2012, links the ongoing community healthcare needs of employers, patients, and their family members to providers. Its program is designed to give a coordinated approach in the delivery of healthcare services to an insured captive audience and the local community.

“WellnessWorks has the track record and vision to improve our organizations response to achieving excellence in the Occupational Health marketplace,” says Bud Barrow, CEO, Beaugard Memorial Hospital. “Their approach creates a win-win for employers, physicians, hospitals and those we are jointly called to serve: the patients.”

The WellnessWorks program combines its in-depth knowledge of each healthcare market and their services, with its care coordination and direct sales program to meet the ongoing healthcare needs of the community. WellnessWorks currently provides services to 90 markets in 25 states nationwide.

“We recognize the healthcare marketplace is ever-changing, as are the needs of each community we serve,” says Byron Speights, President, WellnessWorks. “Therefore, we are constantly enhancing our services and implementing new ones to better serve the communities and providers we partner with.”

###

SCP Health (SCP) is a clinical company. At our core we work to bring hospitals and healers together in the pursuit of clinical effectiveness. With a portfolio of over 8 million patients, 7500 providers, 30 states, and 400 healthcare facilities, SCP Health is a leader in clinical practice management spanning the entire continuum of care, including emergency medicine, hospital medicine, wellness, telemedicine, intensive care, and ambulatory care.
