Four Schumacher Group Clients Recognized by Becker's Hospital Review for Outstanding Work Environment

Four Schumacher Group (SG) clients were recently recognized by Becker's Hospital Review (BHR) in their 2015 edition of "150 Great locations to Work in Healthcare".

LAFAYETTE, LOUISIANA

Four Schumacher Group (SG) clients were recently recognized by Becker's Hospital Review (BHR) in their 2015 edition of "150 Great locations to Work in Healthcare".

The facilities mentioned include: [Twin Lakes Regional Medical Center](#) of Leitchfield, Kentucky, one of only two hospitals in Kentucky to make Becker's list for two consecutive years; [Lake Area Medical Center](#) in Lake Charles, Louisiana, employing over 500 dedicated staff members and nearly 200 affiliated physicians, covering a range of 36 medical specialties; [Ochsner Health System](#) of New Orleans, Louisiana, one of the largest independent academic health systems in the United States and Louisiana's largest not-for-profit health system; and [Adena Regional Medical Center](#) in Chillicothe, Ohio, sustaining the most advanced MRI capabilities in south central Ohio.

The list was compiled from a combination of nominations and editorial research and released on March 11, 2015. According to the BHR website, the organizations were chosen for their benefits offerings, wellness programs, commitment to diversity and inclusion, development opportunities, and environments that promote employee satisfaction and work-life balance. [Becker's Healthcare](#) is the leading source of cutting-edge business and legal information for the healthcare industry leaders. Learn more by reading the [full report](#) from Hospital Review.
