## Medical Leaders Recognized with Top Performer Award

SCP recognized top performing medical leaders at the company's Medical Leadership Conference in Orlando earlier this month.

### LAFAYETTE, LOUISIANA

Schumacher Clinical Partners recognized top performing medical leaders at the company's Medical Leadership Conference in Orlando earlier this month.

The winners of the Top Performer award were nominated by key leaders within their Division of SCP. Through their leadership, the Top Performers produced and sustained an exemplary level of performance in their respective practices.

"The recipients exemplify what our company goal of 'Excel' truly means - to improve the effectiveness of our clinical practices, to unify our greater organization, and to convert improvements into patient-centered results," stated Dr. Randy Pilgrim Enterprise Chief Medical Officer for SCP, who recognized each with an exclusive lapel pin at the conference.

"I was truly humbled and gratified to see how many earned this level of recognition, as indicated by both objective and subjective criteria. Congratulations to all of our Top Performers; we are proud of you, and grateful for your success."
