LAFAYETTE, LOUISIANA

Acadiana Business (ABiz) publication announced that Schumacher Group (SG) is #1 on their annual list of the Top 50 Privately Held Companies in the area. This is the second consecutive year SG has been awarded this honor.

The list, released each summer by *The Independent's* ABiz publication, ranks privately held companies in the Acadiana area by their previous year's total revenue. SG ranks #1 with \$675 million reported in annual revenue in 2014, just over \$200 million more than the second ranked company, Acadian Cos.

"As we approach our 21st anniversary in August, this recognition means a great deal to us," stated Founder and Executive Chairman, Dr. William "Kip" Schumacher. "When we began Schumacher Group in 1994, we could only dream of how far we would come. The hard work of our teams and the Acadiana community's support has allowed us to further strengthen our commitment of providing unmatched care to patients and world-class EM & HM services to our partners."
